

§ 800.14 Coordination with other authorities.

To the extent feasible, Agency Officials, State Historic Preservation Officers, and the Council should encourage coordination of implementation of these regulations with the steps taken to satisfy other historic preservation and environmental authorities by:

(a) Integrating compliance with these regulations with the processes of environmental review carried out pursuant to the National Environmental Policy Act, and coordinating any studies needed to comply with these regulations with studies of related natural and social aspects;

(b) Designing determinations and agreements to satisfy the terms not only of section 106 and these regulations, but also of the requirements of such other historic preservation authorities as the Archeological and Historic Preservation Act, the Archeological Resources Protection Act, section 110 of the National Historic Preservation Act, and section 4(f) of the Department of Transportation Act, as applicable, so that a single document can be used for the purposes of all such authorities;

(c) Designing and executing studies, surveys, and other information-gathering activities for planning and undertaking so that the resulting information and data is adequate to meet the requirements of all applicable Federal historic preservation authorities; and

(d) Using established agency public involvement processes to elicit the views of the concerned public with regard to an undertaking and its effects on historic properties.

§ 800.15 Counterpart regulations.

In consultation with the Council, agencies may develop counterpart regulations to carry out the section 106 process. When concurred in by the Council, such counterpart regulations shall stand in place of these regulations for the purposes of the agency's compliance with section 106.

§ 801.1 Purpose and authorities.

(a) These regulations are required by section 110(c) of the Housing and Community Development Act of 1980 (HCDA) (42 U.S.C. 5320) and apply only to projects proposed to be funded by the Department of Housing and Urban Development (HUD) under the Urban Development Action Grant (UDAG) Program authorized by title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301). These regulations establish an expedited process for obtaining the comments of the Council specifically for the UDAG program and, except as specifically provided, substitute for the Council's regulations for the "Protection of Historic and Cultural Properties" (36 CFR part 800).

(b) Section 110(c) of the HCDA of 1980 requires UDAG applicants to: (1) Identify all properties, if any, which are included in the National Register of Historic Places and which will be affected

by the project for which the application is made; (2) identify all other properties, if any, which will be affected by such project and which, as determined by the applicant, may meet the Criteria established by the Secretary of the Interior for inclusion in the National Register (36 CFR 60.6); and (3) provide a description of the effect, as determined by the applicant, of the project on properties identified pursuant to (1) and (2). If the applicant determines that such properties are affected, the Act requires that the information developed by the applicant must be forwarded to the appropriate State Historic Preservation Officer (SHPO) for review and to the Secretary of the Interior for a determination as to whether the affected properties are eligible for inclusion in the National Register.

(c) Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), requires the head of any Federal agency with jurisdiction over a Federal, federally assisted or federally licensed undertaking that affects a property included in or eligible for inclusion in the National Register of Historic Places to take into account the effect of the undertaking on such property and afford the Council a reasonable opportunity to comment. Under the UDAG program, applicants assume the status of a Federal agency for purposes of complying with section 106.

§ 801.2 Definitions.

The terms defined in 36 CFR 800.2 shall be used in conjunction with this regulation. Furthermore, as used in these regulations:

(a) *Urban Development Action Grant (UDAG) Program* means the program of the Department of Housing and Urban Development (HUD) authorized by title I of the Housing and Community Development Act (HCDA) of 1977 (42 U.S.C. 5318) to assist revitalization efforts in distressed cities and urban counties which require increased public and private investment.

(b) *Applicant* means cities and urban counties or Pocket of Poverty Communities which meet the criteria at 24 CFR 570.453. Except as specifically provided below, applicants, rather than

the Secretary of HUD, must comply with these regulations.

(c) *Project* means a commercial, industrial, and/or neighborhood project supported by the UDAG program of the Department of HUD, as defined in 24 CFR 570.451(g). A project includes the group of integrally related public and private activities described in the grant application which are to be carried out to meet the objectives of the action grant program and consists of all action grant funded activities together with all non-action grant funded activities. A project is an *undertaking* as defined in 36 CFR 800.2(c).

(d) *State Historic Preservation Officer Review Period* is a 45 day period provided to the appropriate State Historic Preservation Officer by section 110(c) of the Housing and Community Development Act (HCDA) of 1980 for comment on the formal submission by the applicant of data on properties listed in the National Register or which may meet the Criteria and which will be affected by the proposed UDAG project. This period does not include any period during which the applicant seeks information from the State Historic Preservation Officer to assist the applicant in identifying properties, determining whether a property meets the Criteria for listing in the National Register of Historic Places and determining whether such property is affected by the project.

(e) *Secretary of the Interior Determination Period* is a 45 day period provided by section 110(c) of the HCDA of 1980 for a determination as to whether the identified properties are eligible for inclusion in the National Register.

§ 801.3 Applicant responsibilities.

As early as possible before the applicant makes a final decision concerning a project and in any event prior to taking any action that would foreclose alternatives or the Council's ability to comment, the applicant should take the following steps to comply with the requirements of section 106 of the National Historic Preservation Act and section 110 of the HCDA of 1980.

In order to facilitate the commenting process the applicant should forward to
